

Lockyer's Middle School Prevent Policy

Risk Assessment and Action Plan

The policy is written with due regard to the following:

Prevent Duty Guidance: for England and Wales (July 2015) (Prevent), Keeping Children Safe in Education (September 2021) (KCSIE), Channel Duty Guidance (April 2015) (Channel), ISI Handbook: The Regulatory Requirements (Sept 2016)

Prevent is supplemented by non-statutory advice and a briefing note:

The Prevent duty: Departmental advice for schools and childminders (June 2015), The use of social media for online radicalisation (July 2015)

This document was last reviewed on 7th September 2026 by the trained DSL Team:

A. Dufek - Headteacher (DDSL), T. Mockridge- Deputy Headteacher (DDSL), K. Whittaker - Lead Practitioner for Success and Wellbeing (DSL), B Murphy - Lead Practitioner for English (DDSL) and E. Adlem - Pastoral and Wellbeing Lead. (DDSL)

What is Prevent?

Prevent is part of the UK's counter-terrorism strategy preventing people from becoming radicalised, involved in terrorism or supporting terrorism. It is the only aspect of the counter-terrorism strategy that operates before a crime has been committed. Prevent aims to identify children, young people and families at risk and to assess and reduce that risk. It includes non-terrorist forms of radicalisation including a range of extremist beliefs. It is part of the safeguarding agenda and links to our understanding of respecting and upholding British Values.

What is the Prevent duty?

HM Government Prevent Duty guidance states the following: 'From 1 July 2015 all schools ... are subject to a duty under section 26 of the Counter Terrorism and Security Act 2015... to have due regard to the need to prevent people from being drawn into terrorism. This duty is known as the Prevent duty.' **Lockyer's Middle School** recognises its duty to implement procedures to fulfil its duties under Prevent. Prevent is part of the school's wider responsibility for Safeguarding and Child Protection. The Designated Safeguarding Lead, Mrs K. Whittaker is the person responsible for implementing the Prevent duty.

These duties are:

1. Risk Assessment – see Risk Assessment at Appendix 2.

- Assess the general level of risk, depending on geographical area or intake, of pupils being subject to radicalisation or drawn into terrorism/extremist activity.
- Put means in place to identify individual children who may be at risk of radicalisation or being drawn into terrorism/extremist activity.

2. Policies and Procedures

- Update safeguarding policies and procedures to identify children at risk of radicalisation and protect them. Such policies to include:
 - indicators of vulnerability (Channel Duty Guidance Annex C);
 - when it is appropriate to make a referral, whether to Children's Services in the normal way or to make a referral to the Channel programme;
 - protocols to ensure that visiting speakers, whether invited by staff or pupils, are suitably supervised;
 - procedures when a child goes missing;
 - a single point of contact to oversee and coordinate the school's implementation of the Prevent duty.

3. Training

- Provide training to staff on the Prevent duty. *See Appendix 1 for general information given to staff.*
- The DSL and Deputy DSLs have all undertaken the online Prevent training (<https://www.elearning.prevent.homeoffice.gov.uk/>) in order to advise and train staff.

4. Building Resilience to Radicalisation

- In part through the existing duty to promote fundamental British values.
- In part through the Life and Culture (PSCHE) curriculum teaching pupils to manage risk, resist pressure, make safer choices and seek help if necessary.
- In part through the citizenship, religious education and other relevant subject syllabus with focus on democracy, diversity, mutual respect and managing debate of political issues in a non-partisan manner.

- Ensure that children are safe from terrorist and extremist material when accessing the internet in school.
- Check filters and revise ICT acceptable use policies.
- Equip (ie training) children to stay safe online, both in school and outside of school.
- Ensure teaching staff are aware of the risks posed by online activity of extremist and terrorist groups.

6. Working in Partnership

- Liaise with Pan-Dorset Safeguarding Children Partnership to establish what advice and support they can provide and for their assessment of general levels of risk within the local area.

Appendix 1 – Guidance to Staff on Prevent Duty

What is Prevent?

Prevent is part of the UK's counter terrorism strategy preventing people from becoming radicalised, involved in terrorism or supporting terrorism. It is the only aspect of the counter-terrorism strategy that operates before a crime has been committed. Prevent aims to identify children, young people and families at risk and to assess and reduce that risk. It includes non-terrorist forms of radicalisation including a range of extremist beliefs. It is part of the safeguarding agenda and links to our understanding of respecting and upholding British Values.

What is the Prevent duty?

HM Government Prevent Duty guidance states the following: 'From 1 July 2015 all schools are subject to a duty under section 26 of the CounterTerrorism and Security Act 2015.... to have due regard to the need to prevent people from being drawn into terrorism. This duty is known as the Prevent duty.' Lockyer's Middle School recognises its duty to implement procedures to fulfill its duties under Prevent. Prevent is part of the school's wider responsibility for Safeguarding and Child Protection. The Designated Safeguarding Lead is the person responsible for implementing the Prevent duty.

Behavioural indicators

The following are possible signs that someone is being radicalised or drawn into terrorism:

- Change in behaviour or appearance;
- Adopting styles of clothes associated with groups with whom they have had no previous contact;
- Becoming isolated from friends, peers or family members;
- Becoming involved with groups of pupils who have strong ideologies;
- Viewing websites which contain extremist ideologies or symbols;
- Attempting to recruit others to an extremist ideology or cause;
- Vocalising extremist ideologies or using extreme language;
- Questioning identity and sense of belonging;
- Glorifying current terrorist activity seen in the media;
- Displaying extreme behaviour related to ideology and/or religion;
- Requesting extended holidays to unsafe places or places not associated with the family;
- Possessing or discussing extremist material; and
- Family not being aware of absence.

Motivators for such behaviours could be wide-ranging. Terrorism is very unlikely but not impossible. Whatever the reason for a pupil's behaviour, remember that young people can be vulnerable and will benefit from our support. Please remember that the most important thing is to **do** something.

What do you do if you have a concern?

- Record your concern on 'My Concern'.
- At **Lockyer's Middle School the Designated Safeguarding Lead is Kate Whittaker**. The Deputy DSLs are Antonia Dufek, Thomas Mockridge and Emma Adlem **Kate Whittaker is also the Prevent Lead**.
- The concerns may result in a referral to the Children's Advice and Duty service (CHaD) for children resident in Dorset or BCP MASH for children resident in Poole, who will carry out a risk-assessment and then pass the concern onto the **Channel** Programme if they deem it to meet the required threshold. Channel is a programme which focuses on providing appropriate support at an early stage to people who are identified as being vulnerable to being drawn into terrorism.
- Remember that anyone can make a referral, but in the majority of cases staff would consult with the DSL in the first instance.

Appendix 2 - "Prevent" Risk Assessment and Action Plan

Lockyer's Middle School recognises that it has a duty under section 26 of the Counter-Terrorism and Security Act, 2015, in the exercise of its functions, to have due regard to the need to prevent people from being drawn into terrorism.

Duty	What this means	Action	By whom
Risk assessment			
Assess the risk of children being drawn into terrorism	Staff can demonstrate a general understanding of the risks affecting children and young people	Through whole staff training: - All staff have read "Keeping Children Safe in Education", Section 1, September 2026. - The Designated Safeguarding Lead (DSL) has informed staff of their duties as set out in "The Prevent Duty – Departmental advice for Schools and childcare providers" (DfE June 2015) - All staff and Academy Committee members have undertaken online PREVENT training (https://www.elearning.prevent.homeoffice.gov.uk/) - All staff aware of 'Dawah' (invitation or preaching of Islam in order to convert) which has caused issues nationally. This is not thought to be an issue in Dorset yet but staff should be vigilant for the signs. - All staff aware of local far right wing extremists (both Bournemouth and Weymouth have seen English Defence League activity over the past few years). In rural Dorset, issues such as badger culling and possible fracking sites and the potential for the return of fox hunting could be a catalyst for other forms of extremism.	All staff DSL All staff

		- All staff are aware of the issues surrounding climate activism. - All staff aware of the local issues.	
	Staff can identify individual children who may be at risk of radicalisation and how to support them. <i>There are very few Muslim children at Lockyer's. Far right groups are known to be active in Dorset. Recent developments in climate activism are also a potential risk.</i>	- During whole staff training, the DSL has informed staff about signs and indicators of radicalisation, including far right symbolism. Staff are also aware of this through their PREVENT training. - The DSL briefs staff on topical 'issues' or 'areas' locally to be aware of in Children's discussions.	DSL Admin/all staff
	There is a clear procedure in place for protecting children at risk of radicalisation.	- All staff understand how to use My Concern to record and report concerns regarding risk of radicalisation. Staff at Lockyer's Middle School use the same reporting procedure as they would for any other safeguarding concern. - DSLs to be aware of the work by the Pan-Dorset Prevent Board.	All staff
	The school has identified a DSL - K. Whittaker - who takes overall responsibility for Prevent.	All staff know who the DSL is and that this person, supported by the Deputy DSLs, acts as a source of advice and support.	All staff
Prohibit extremist speakers and events in the school	The school exercises "due diligence" in relation to requests from external speakers and organisations using school premises.	- All visiting speakers have a nominated point of contact at the school (the Organiser). - All visiting speakers are asked to read the visitors' policy before their visit. - Conducting research on the person/organisation to establish whether they have demonstrated extreme views/actions. This can take the form of contacting other schools who have used the speaker and using	DSL, All staff

		online search engines to make basic checks on their links/online presence/associations. • Refusal to allow people/organisations to use school premises if they have links to extreme groups or movements. Justification of the school's decision will be provided to the person/organisation in writing. • Visitors to provide photo ID upon arrival at school and wear an appropriate red/green lanyard at all times. • Ensuring visiting speakers are accompanied at all times and are not left unsupervised with pupils at any point.	
Working in Partnership			
The school is using existing local partnership arrangements in exercising its Prevent duty.	Staff record and report concerns in line with existing policies and procedures.	• All staff record and report concerns on 'My Concern'. • The DSL or one of the Deputy DSLs attends regular Initio Learning Trust Safeguarding Network Meetings. • School procedures are monitored at termly review meetings with the Trust Safeguarding Officer, during External Challenge Partner visits and through the annual County Safeguarding Audit.	All staff DSL
	The DSL will make appropriate referrals to other agencies including the Children's Advice and Duty Service (for Dorset children), BCP Multi-Agency Safeguarding Hub (MASH) for Poole children and Channel Panel.	• Records of referrals to be kept on 'My Concern'. • Referrals are followed up appropriately. • Links with the local police to be set up to ensure school is kept up to date with any local trends	DSL / DDSL

Staff Training			
Equip staff to identify children at risk of being drawn into terrorism and to challenge extremist ideas.	Assess the training needs of staff in the light of the school's assessment of the risk to pupils at the school of being drawn into terrorism.	The school will: - All staff and Academy Committee members have completed the government online Prevent awareness training (www.elearning.prevent.homeoffice.gov.uk/) and the DSL is able to provide advice and support to other members of staff on protecting children from the risk of radicalisation. - Key members of staff have also completed the 'Channel General Awareness module'. This is completed as part of Prevent training every three years.	DSL Relevant staff identified by the DSL (all DSLs and the Academy Committee member responsible for Safeguarding)
IT Policies			
Endeavour to ensure that children are safe from terrorist and extremist material when accessing the internet in schools	The school has policies in place which support the "Prevent" duty.	The school will maintain: - A Safeguarding Policy - A Behaviour Policy - A policy on Pupils' Use of ICT, Mobile Phones and other (home-based) Electronic Devices - Internet filters which provide protection, including automated reporting of all staff and pupil use of the internet. The school will also provide parents with regular updates about online safety including information about new and emerging risks.	DSL IT administrator Computing Lead PSHCE Lead SLT

			DSL Computing Lead PSHCE Lead SLT
	Measures are taken to minimise the risk of pupils accessing extremist material	• Lockyer's Middle School uses Chromebooks: • Lightspeed Filtering System has been newly integrated as our Trust filtering system.. • The School filters and blocks known harmful categories, including social media, within the school environment. • The filters provide automated reporting of all staff and pupil use of the internet. The DSL receives these reports. • The School logs all browsing activity. • The web filtering has an "extremism" category. It blocks extremist sites for all pupils and keeps a log of all searches for up to one year. • The DSL is alerted by the IT administrator of any suspicious web browsing or key strokes on the network.	DSL IT administrator SLT

Building children's resilience to radicalisation			
Ensure that pupils have a safe environment in which to discuss controversial issues.	Pupils develop the knowledge, skills and understanding to prepare them to play a full and active part in society.	- Through PSHCE, RE, assemblies and other curriculum activities, pupils are able to explore political, religious and social issues. - Pupils are taught about the diverse national, regional and ethnic identities in the UK and the need for mutual respect. - Staff are aware of the importance of promoting fundamental British values. - Local issues specific to rural Dorset are discussed during PSHE and humanity based subjects.	Head of PSHCE All staff
